ART FOR ALL

WHY GIVE TO ART FOR ALL?

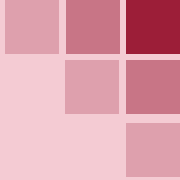

Fund-A-Need at CAM

Art for All: ArtReach to Underserved Communities Goal: \$50,000

Contributions up to \$50,000 will be matched dollar-for-dollar by a generous donation from the Anonymous Trust

Southeastern North Carolina faces stark disparities in access to arts and culture, with many who would benefit most from art lacking affordable access. With your support on November 16, we aim to address these challenges by raising funds for the museum's education initiatives for the entire community including but not limited to:

- Four free community days a year
- Outreach to vulnerable communities through partnerships with local organizations including Wilmington Housing Authority, youth development organizations, and the school systems in an 8 county radius
- Free admission to those with EBT cards
- Scholarships to Museum School classes for those in need
- Free American Sign Language Tours
- Free Spanish Language Tours
- Monthly free Connections tours for those living with dementia and their caregivers
- Free access to the museum for anyone being treated for cancer

Art for All funds will empower our CAM education team to bring art directly to neighborhoods across Wilmington, creating accessible, enriching experiences for all.

Join us in raising your paddle to support these initiatives.

Every gift, at any level, brings us closer to making art accessible to everyone in our community.

- **\$5,000** will fund one community day
 - **\$4,000** will fund one outreach art project at the Wilmington Housing Authority
 - **\$3,000** will fund therapeutic musicians for Connections
 - **\$2,500** will fund an art activity for veterans
 - **\$1,000** will fund transportation for 30 for one community day
 - **\$500** will fund transportation for 15 for one community day
 - **\$250** will employ one teaching art for one community day
 - **\$150** will fund a scholarship for a child in need to attend summer camp
